**Re: Framework for Antigonish as a Leading Sustainable Community**

Dear Mr. Malhotra:

This letter is to express my ongoing support for the Framework for Antigonish as a Leading Sustainable Community. You have set forth a plan that will make Antigonish a role model in community sustainability.

I recognize the importance of establishing sustainable communities for the present and especially for the future. I would like to congratulate you and the steering committee on the work you have done, and I encourage you to continue with your efforts to promote long-term sustainability for the community of Antigonish.

I look forward to furthering this plan for the benefit of the Antigonish community.

Sincerely,

Angus Mac Isaac, MLA
