LEAF & YARD WASTE DROP OFF

Time to rake up those leaves and turn them into compost! (Please do not rake leaves onto the sidewalks and streets - they plug our storm drains and create potential safety hazards).

The Town of Antigonish, in conjunction with Eastern Sanitation Limited, is sponsoring a leaf & yard waste drop off for residents of the Town of Antigonish.

WHEN: EFFECTIVE IMMEDIATELY, leaf and yard waste will be accepted at Eastern Sanitation daily during regular business hours throughout the year.

Monday - Friday, 8 am - 4pm

First Saturday of every month, 8 am - 12 noon

WHERE: Eastern Sanitation Limited

17 Adam Street

(Turn right just after crossing the railway tracks toward the hospital)

WHAT: Limited to one half ton truck load per household, may include grass clippings, leaves & shrub trimmings (must be bagged - only material in clear bags will be accepted)

- **LIMBS - NO MORE THAN ONE INCH IN DIAMETER AND NOT MORE THAN SIX FEET IN LENGTH (Do not need to be bagged)**

Drop off is for **residential** leaf and yard waste only. It is important that grass clippings, leaves and shrub trimmings arrive in **clear bags only** (for handling purposes, please do not over fill bags). Limbs do not need to be bagged or bundled. Drop off is limited to one half ton truck load per household.

Upon arriving at the site, watch for signs directing you where to place your materials. It is **extremely important** that materials be properly sorted and not contaminated with any other matter. **The proper sorting of materials is key to the continuation of this program.**

QUESTIONS?

**Call the Waste Collection Hotline at 863-4949
or Eastern Sanitation at 863-1744.**
