Call to Order

The Chair called the meeting to order at 1:05 PM and noted the purpose of the meeting was to review the Town's Solid Waste By-law.

Ms. N. Haverkort noted that her review of the Town's By-law began with looking at clarity and consistency. She advised that she then looked at the Valley Waste Check By-law and noted that Wolfville, similar in size and features to Antigonish, had also adopted the Valley's By-law. She suggested that the Town use the Valley By-law as a base and amend it to fit their needs. The Committee was in agreement.

The Committee then reviewed the Definitions Section and changes to be incorporated were noted. It was generally agreed to remove Section 2.0 dealing with Authority and Regional By-law. Sections 4. through 5.1.3 were reviewed and the appropriate changes noted.

Ms. N. Haverkort agreed to continue with proposed changes and the Chair noted a meeting would be called when appropriate to continue the review.

Adjournment

Moved by Mayor C. Chisholm
Seconded by Councillor L. Chisholm
"That the meeting be adjourned." Motion carried.
