The Chair called the meeting to order and noted the only item on the agenda was the continuation of the review of the Draft Accessibility Plan and invited S. Scannell to continue with the review.

Draft Accessibility Plan Review

S. Scannell screenshared the Draft Accessible Plan with the Committee and began to continue the review of the Draft Plan, noting that at the last meeting they had reviewed the Awareness & Education and Goods & Services sections and that changes were made to the document as the sections were reviewed.

The Committee provided comment and amendments were recommended and made to the document as the following sections were reviewed:

- Town Services
- Information & Communications
- General Communication
- Online Communication
- Technology
- Community Engagement
- (Portion of) Pedestrian Environments

It was generally agreed that a meeting of the Accessible Advisory Committee would be scheduled for March 16th at 2:30 PM at Hall.

S. Scannell agreed to distribute a summary of the updated document.

The meeting was adjourned.
