Ms. D. Horne spoke briefly on crosswalk safety, particularly where Brookland Street intersects with Hawthorne Street, and noted she feels it is an area of concern. She noted a crosswalk safety initiative similar to one that has been undertaken in the Halifax Regional Municipality (HRM) might be appropriate for the Town.

Ms. Horne provided details from a conversation she had with the gentleman who looks after the program in HRM. Photos were distributed. Ms. Horne advised that the group in Halifax could provide 30 flags and pipes to hold the flags at a cost of \$200.00. Brief discussion took place.

The Chair thanked the delegate and she left the meeting at 12:10 PM

- Ms. S. MacDougall; Re: Taxi Fees

Ms. MacDougall thanked the Chair. She noted that cab fees are fluctuating between \$5-7 within the Town, and that other areas have more consistent fees. She recommended having a (higher) flat rate across the board of \$7.00, and provided further comments.

The Chair requested comment from S/Cst. S. Smith. He noted that the last increase was in 2014. S/Cst. S. Smith noted that the number of cabs used to be limited however, at the request of the cab companies that is no longer the case. He provided additional information regarding seniors and the wording in the By-law. Discussion took place.

CAO J. Lawrence spoke briefly to free enterprise, and noted that a request from a united voice from the taxi cabs operators might bear more weight for consideration. The Chair suggested Ms. MacDougall reach out to the other companies.

Discussion took place on illuminated roof lights. Mr. R. Proctor spoke to other areas where additional markings are put on the vehicles, and spoke to additional branding of vehicles.

Ms. S. MacDougall requested to have the ability to turn off the roof light when they have a customer/parcel, and on when offering a service, in an effort not to be flagged down by potential customers.

Ms. S. MacDougall noted the Town currently does not have a by-law respecting scanners, and noted that there have been issues with one taxi picking up on another taxi's call. In response to a query from the Chair, Sgt. W. McBeath noted that it is not illegal to have a scanner. S/Cst. S. Smith spoke the radios being the problem. Sgt. W. McBeath noted that additional branding on vehicles would assist in this matter.

The Chair thanked Ms. S. MacDougall for her presentation. Ms. MacDougall noted she would speak to the other taxi companies prior to the next Police & License Committee meeting.

At 12:40 CAO J. Lawrence excused himself from the meeting.

S/Cst. S. Smith spoke to changes in the taxi industry as well as public transit. He spoke to increased students on campus, and more students with vehicles.
