3. New Business

3.1 Recreation Overview

S. Long had a presentation prepared to provide a high-level overview for the committee on the Town's recreation division including staff, programing, facilities, projects for this year, and upcoming projects for consideration.

Throughout the presentation there were a variety of questions and topics for consideration, including:

- Investigating if the path behind the Arena to the co-op housing building is open for the Kids on the Move walk to school
- If recreation has considered the addition of a washroom facility at the Central Turf Field
- If once the accessible pathway at the turf field is complete, if there would be consideration to buy chairs for guests to set up on the viewing pad to sit with their family member or friend in a wheelchair
- Would recreation consider re-naming the Central Turf Field or the Arbor Drive Playground? There was a suggestion for a facility to be named the Raff Henderson Memorial Field or Playground.

There was also discussion about the parkettes. S. Long reviewed the budget K. MacInnis had put together for one of them to be done; it was proposed in this year's capital budget but not approved.

D. Roberts asked if the presentation could be shared with the committee members. S. Long will email it out to everyone.

3.2 Meeting Dates

The committee chose to meet on November 18 and January 20 at 6 p.m.

S. Long asked if there was a particular topic the committee would like to learn more about at the next meeting. J. Pelly would like to know more about Moving and Mingling.

3.3 Greening Drive/Beaver Brook Parkette

This was discussed during the presentation.

4. [Adjournment](#)

With no further business, the meeting was adjourned at 7:11 p.m.
