Call to Order

Mayor L. Boucher called the meeting to order at 4:30 PM noting there was only one (1) item on the agenda, that being accessibility.

CAO J. Lawrence advised Council that staff had been working with the community and with engineers to come up with a suitable design for an accessible ramp for Town Hall and were unable to do so.

The CAO then spoke to a discussion he had with a disabled member of the community with respect to the ramp, along with another option that might work. Following discussion and a viewing of the area it was generally agreed that the side door to Town Hall could be an accessible entrance, with some modifications, subject to input from the Accessibility Advisory Committee.

It was noted that the Mayor is endeavoring to keep some or all of the federal funding previously allocated for the ramp.

With there being no further business the meeting was adjourned at 4:50 PM.
