

OVERNIGHT WINTER PARKING BAN

Effective December 1, 2020 to April 15, 2021

The Town's overnight Winter Parking Ban comes into effect on December 1, 2020 to April 15, 2021 from 12 a.m. to 7 a.m. on all Town owned streets and parking lots.

The Ban will be enforced to allow the Town's Public Works crews to operate safely and efficiently when plowing and salting our streets when there is a significant weather system that will impact road conditions.

As per Section 139 of the Motor Vehicle Act, vehicles obstructing snow removal or winter maintenance will be removed at the owner's expense.

If residents have any questions or concerns, please contact the Town of Antigonish Monday to Friday between 8:30 a.m. and 4:30 p.m. at 902-863-2351 or visit www.townofantigonish.ca.
