

THE TOWN OF ANTIGONISH

CURBSIDE WASTE COLLECTION

The Town's curbside waste collection requires the sorting of solid waste from recyclables and compost. Curbside collection of garbage and green cart materials takes place every two weeks with the collection of recyclables on the alternate week. The Town offers two bulky waste pick-ups a year; May and September.

Rejected garbage at curbside and compost carts must be removed from the curb by 9 p.m. on its scheduled collection day.

All residents of Antigonish are responsible for keeping their properties clean, including tenants in rental properties. Failure to follow the requirements of the Town's Solid Waste Bylaws can result in fines between \$352.50 to \$1,847.50, depending on the nature of the offence.

For more information, including a Curbside Calendar, visit:

NOISE CONTROL

The Town of Antigonish has a Noise Control By-law stating that no person shall disturb any person located in the boundaries of the Town and outlining noise levels not to be exceeded at certain times of the day. Any person found in violation of this By-law could be issued a Summary Offence Ticket of \$410.
