

# THE TOWN OF ANTIGONISH

Through our Bench, Bike-Rack and Tree dedication program, friends and families can create a dedication or memorial by placing a public bench, bike-rack or tree in one of the Town of Antigonish parks, playgrounds or walk-ways. Each dedication carries a different story through the words engraved on the plaque. These lovely dedications with their bronze plaques serve as a lasting reminder or a timeless gift to a loved one.

The dedications are an attractive and useful addition to our recreational areas and are much appreciated by the many citizens who visit and use Antigonish Town parks and walk-ways every day.

Each year memorial benches, bike racks or trees are donated and installed throughout the Town of Antigonish parks, playgrounds and walk-ways by citizens and organizations in memory of loved ones, friendships or to commemorate a special event.

### **Installation**

From the time of the receipt of the donation in full, it will take approximately 10-12 weeks to complete the installation of a bench(Seasonal Installation). If there is brickwork involved in the installation, more time will be required to complete the installation. Installations during the winter months are not possible.

### **Tax Receipts**

All donations are to be made out to the Antigonish Town Recreation Department in advance of placing orders for benches and plaques. More than one person can donate to a bench. Individual tax receipts can be issued for donations of \$25 or more to the donor whose name appears on the cheque.
