

2024 Program Update

The purpose of the Housing Accelerator Fund is to:

- Remove barriers & encourage local initiatives to build more homes, faster.
- Increase housing supply
- Supporting more affordable, diverse and climate-resilient development

Each initiative listed below consists of 2 to 4 milestones that need to be completed. These initiatives were chosen by Staff and Council as the most effective actions the municipality can undertake to accelerate housing development. The status of each initiative and their milestones can be found on the next page.

Detailed descriptions of each initiative can be found online at:
