

Accessibility is Everyone’s Responsibility:

Community Accessibility Initiatives & Ideas Form

The Town of Antigonish Accessibility Committee wants to hear from you or your organization.

Antigonish is strongest when accessibility is a shared effort. The Town's Accessibility Committee invites residents, organizations, businesses, and community groups to share accessibility initiatives already underway, as well as ideas that could help make our community more inclusive for all.

Your input helps celebrate process, inspire others, and identify opportunities for future improvements across our community. Selected initiatives may be highlighted (with permission) by the Town to encourage shared learning and collaboration.
