RE: CHANGE TO ON STREET PARKING

Dear Resident:

There has been a significant increase in the amount of vehicles parking on both sides of Brookland Street, which has been causing not only a safety concern, but has been obstructing the flow of traffic.

After reviewing this matter, it was felt that it would be in the best interest of all motorists who travel this street to make a change to the present parking pattern to only allow parking on one (1) side of Brookland Street.

So with this information, this office has approved a No Parking Zone to be implemented on the south side of Brookland Street (from Hawthorne to College Street). **This situation will be monitored and if necessary it will be reviewed again in the Spring of 2018.**

If you have any questions or concerns regarding this change please feel free to contact the undersigned Monday thru Friday between the hours of 8:00 am and 4:00 pm..

Respectfully

S/Cst. R. Shaun Smith
